Hypnotherapist

Private Practice

June 2010 - Present

Offering one on one services in helping people, through accessing the subconscious mind, finding wisdom within to interrupt patterns, and to learn from the depth of their own being to be the best they can be.

Successfully treated men, women and children around issues and conditions such as anxiety, insomnia, pain management, fear and phobias, re-focusing and weight loss. 80% of clients are women.

Facilitating Past Life Regression, Future Life Progression, and Life Between Lives Regression sessions for individuals and groups.

Instructor

West End Community Centre Vancouver

February 2012 - Present

Created 7 courses including: Self-Hypnosis for a Better Life, Hypnosis for Manifestation, Effective Intuition, JumpSTART a New Year, Power of Pendulum, Journey into Past Lives, and Metaphysical Hypnosis.

Author

Past Life Regression

May 2015

Published Past Life Regression, A Manual for Hypnotherapists to Conduct Effective Past Life Regression Sessions. Amazon.com 5-star rating.

Carol's Lives

May 2019

Currently working on the second book Carol's Lives telling stories of a couple meeting each other in different lifetimes. Most of the materials came from real hypnotic regression sessions.
